Excluded Activities

- Biomedical research outside established Foundation programs
- Basic research in academic disciplines
- Ticket sales, fund raising dinners, festivals, celebrations, and similar activities
- Attendance at or travel to conferences or for costs of conference speakers, programs, or activities (except for conferences directly related to the Foundation's grantmaking initiatives)
- Travel, except as travel is related to other McKnight support of an organization

Geographic Focus

The Foundation's primary geographic focus is the state of Minnesota. Generally, Arts & Culture, and Vibrant & Equitable Communities grants are made only within the state. Most of the Foundation's grantmaking in support of human services in greater Minnesota is accomplished through re-granting of Foundation funds by the six Minnesota Initiative Funds, which were established by the Foundation in 1986. Special programs initiated by the Foundation may have different geographic limitations.

Types of Organizations the Foundation Supports

Eligible applicants must be classified by the Internal Revenue Service as tax-exempt, charitable organizations that are not private foundations. Except in unusual circumstances, proposals from domestic organizations will be considered only when the organizations have received a favorable determination letter from the Internal Revenue Service regarding their tax-exempt status. We also fund fiscal agents or sponsors as necessary.

Units of government are eligible to apply for funding for special projects that complement customary public functions.

Churches and religious organizations may apply for support for activities that benefit the larger community, but not for those having a sectarian religious purpose.

Grants are not made directly to individuals except to the recipient of the Distinguished Artist Award. This annual award is based upon nominations, and individuals may not apply for them.

Priorities

Requests that fall within the Foundation's current priorities are more likely to be considered than are others. Topics outside the current priorities are of much less interest to the Foundation.

Currently, areas of low priority include: chemical dependency treatment; the needs of the elderly and long-term care; and the needs of people with disabilities. These topics have received considerable Foundation funding in the past and may be assigned a higher priority in the future. For the present, however, the only funding requests considered in these low priority areas are special projects likely to have a broad impact on the affected population, such as the development of a model program or a new policy initiative. Also, it must be demonstrated that Foundation support is required for leverage of other specifically identified resources. Operating and capital support are not available in low priority areas.

Each of the Foundation's program areas has specific goals, eligibility requirements, and application procedures. Detailed descriptions are available on the Foundation's website.

The Foundation's international grantmaking is limited to projects that increase food security in developing countries.

Except in highly unusual circumstances, the Foundation's international grantmaking is directed towards development projects rather than emergency relief efforts.

The Foundation administers the McKnight Endowment Fund for Neuroscience, McKnight's oldest research program. This program dates to 1977 and is a direct legacy of founder William L. McKnight, who was interested in the biology of the brain, particularly diseases affecting memory. The research program is overseen by the McKnight Endowment Fund for Neuroscience, an independent organization established for this purpose and funded exclusively by the McKnight Foundation. The Endowment Fund has its own board of directors.

The Endowment Fund awards three types of research grants on the basis of recommendations by review committees. Additionally, the Endowment Fund holds an annual conference for current and past awardees to present scientific findings. More information is available on the Foundation's website: www.mcknight.org/neuroscience/. The awards are:

- McKnight Technological Innovations in Neuroscience Awards: support scientists who work on novel and creative approaches to understanding brain function. Up to three awards of \$200,000 over two years are made annually. Letters of intent are due in early December.
- McKnight Scholar Awards: encourage neuroscientists in the early stages of their careers to focus on disorders of learning and memory. Up to six awards of \$225,000 over three years are made annually. Applications are due in early January.
- McKnight Neurobiology of Brain Disorders Awards: encourage research aimed at translating laboratory discoveries about the brain and nervous system into diagnoses and therapies to improve human health, solving the problems of neurological and psychiatric diseases. Up to four awards of \$300,000 over three years are made annually. Letters of intent are due in early March.

**RESTATED BYLAWS
OF
THE McKNIGHT FOUNDATION**

MEMBERSHIP

SECTION 1.1 Initial members. The founders and funders of The McKnight Foundation were William L. McKnight and his wife, Maude L. McKnight. Prior to their deaths, Virginia McKnight Binger and James H. Binger were the sole initial members of this corporation and in that capacity they set the strategy and philosophy of the Foundation. Those of us who succeed to their leadership recognize the debt owed to them and are committed to continuing the work that they began.

SECTION 1.2. Definitions. For purposes of these Bylaws, the following terms shall be defined as indicated:

- a. “Lineal Descendent” means any issue of the person named and shall include all issue legally adopted prior to age 18 and their issue.
- b. “Eligible Family Member” means a person who has attained the age of 18 years and is (i) a Lineal Descendant, or (ii) the current Spouse of a Lineal Descendant, or (iii) the widow or widower of a Lineal Descendant who is also the parent of a Lineal Descendant.
- c. “Spouse” means an individual who is legally married to the referenced person.

SECTION 1.3 Members. This corporation shall have Class C members and Class J members.

- a. Class C. The Class C members shall be: (i) Cynthia B. Boynton, and (ii) each Eligible Family Member of Cynthia B. Boynton who has enrolled as a Class C member in writing using a form provided by and returned to the Secretary. At any time when there are no Eligible Family Members of Cynthia B. Boynton enrolled as Class C members, but there is a living Lineal Descendent of Cynthia B. Boynton who has not reached the age of 18 years, the person appointed as the legal guardian (who need not be a Lineal Descendent of Cynthia B. Boynton) of such Lineal Descendent may enroll as a Class C Member until such Lineal Descendent attains the age of 18 years.
- b. Class J. The Class J members shall be: (i) James M. Binger, and (ii) each Eligible Family Member of James M. Binger who has enrolled as a Class J member in writing using a form provided by and returned to the Secretary. At any time when there are no Eligible Family Members of James M. Binger enrolled as Class J members, but there is a living Lineal Descendent of James M. Binger who has

not reached the age of 18 years, the person appointed as the legal guardian (who need not be a Lineal Descendent of James M. Binger) of such Lineal Descendent may enroll as a Class J Member until such Lineal Descendent attains the age of 18 years.

c. Single Membership Class. At any time when neither Cynthia B. Boynton nor any Eligible Family Member of hers is enrolled as a Class C member and there is no Lineal Descendant of hers under the age of 18, membership Class C shall terminate. At any time when neither James M. Binger nor any Eligible Family Member of his is enrolled as a Class J member and there is no Lineal Descendant of his under the age of 18, membership Class J shall terminate. At any time when this corporation has only one membership class that has enrolled members, notwithstanding any provisions of these Bylaws to the contrary, for all purposes this corporation shall be deemed to have a single class of members. The Voting Member elected by such class, as the case may be, shall have all the rights, authority, and responsibilities granted to the two classes, or to the Voting Members. At no time prior to the termination of a membership class pursuant to this paragraph shall the rights of a membership class be modified (including any amendment of this sentence) without the consent of the Voting Member elected by such class.

SECTION 1.4 Interest in property. The members of this corporation do not, as such, have any right, title or interest in the real or personal property of this corporation.

SECTION 1.5 Term. An Eligible Family Member's status as a member shall begin upon the delivery of a duly executed enrollment form to the Secretary and the entry of the Eligible Family Member's name on the membership rolls, and shall continue through the second December 31 thereafter, or the member's earlier death, resignation, incapacity, or loss of status as an Eligible Family Member (for example, as a result of divorce). Incapacity shall be determined by a physician approved by the Board of Directors. Any member may resign his or her membership at any time by giving written notice to the Chair or the Secretary. A current member may renew his or her membership no more than 3 months before the membership would otherwise expire. Except as provided in this Section, a membership may not be terminated. An Eligible Family Member whose membership has terminated may re-enroll as a member at any time by delivering a duly executed enrollment form to the Secretary; provided, however, that an Eligible Family Member whose membership terminated as a result of a finding of incapacity may re-enroll as a member only by delivering a duly executed enrollment form to the Secretary along with a written finding by a physician approved by the Board of Directors that the person is no longer lacks capacity to serve as a member.

SECTION 1.6. Voting Member. Each class of members shall elect a Voting Member, who shall be an Eligible Family Member, and who must have attained the age of 30 years at the time of election, and must have served at least three consecutive years as a director of this corporation at any time prior to the time of election. Each Voting Member shall serve for a term of two years, and until his or her successor has been elected, or until the Voting Member's prior death, resignation or removal. Each Voting Member shall attend

the joint annual meeting of the members and shall speak on behalf of the class of members that elected the Voting Member. Each Voting Member shall be entitled to serve on the search committee for the identification of a successor President of this corporation when that position becomes or is expected to become vacant. The Voting Members shall be considered this corporation's "members with voting rights" for all purposes under the Minnesota Nonprofit Corporation Act.

MEETINGS OF MEMBERS

SECTION 2.1 Class meetings. Each class of members shall meet at least annually to discuss the nomination of directors by their class and transact such other business as may properly come before the class. Members shall vote and act only within their separate classes. A membership class having only one member may take action only in a signed and dated written instrument delivered to the Secretary of this corporation. A membership class having more than one member may meet and take action only as provided in Sections 2.1 – 2.10 of these Bylaws.

SECTION 2.2 Joint meetings; Voting Member meetings. A joint meeting of both classes of members of this corporation shall be held annually for the presentation and discussion of reports on the activities and financial condition of this corporation, celebration of the work of the corporation and the legacy of the McKnight family, discussion of potential future nominees for election to the Board of Directors, and such other matters as the Board of Directors, the Chair, or the Voting Members (jointly) may determine. Immediately preceding or following the annual joint meeting of the members, the Voting Members shall meet to review any proposed nominees for election to the Board of Directors, and consider any other business that the Voting Members choose to consider. The annual joint meeting shall be held each year at such time and place, within or without the State of Minnesota, as the Voting Members may agree. In the absence of such an agreement before the annual meeting of the Board of Directors, the annual joint meeting shall be held immediately before, and at the same location as, the annual meeting of the Board of Directors. Other joint meetings of both classes of members shall be held at such time and place, and for such purposes, as the Voting Members may agree.

SECTION 2.3 Calling meetings. Meetings of a single class of members may be called at any time by (a) the Board of Directors, (b) the Voting Member elected by that class, or (c) a majority of the class members. Joint meetings of both classes of members may only be called jointly by the Voting Members. A person or persons entitled to call a meeting of members may do so by personally giving, or by directing the Secretary to give, notice of the meeting to each member of the class or classes meeting, setting forth the time, place and purpose thereof. The business transacted at any meeting other than the annual meeting of members must be limited to the purposes stated in the notice of the meeting.

SECTION 2.4 Notice. Written notice of each meeting of a class of members, and of each joint meeting of both classes of members, stating the time and place thereof, shall be given to all members who are entitled to attend the meeting. Such notice shall be

given by Electronic Communication, as defined below, or in person, or shall be mailed, postage prepaid, not less than five nor more than sixty days before the meeting, excluding the day of the meeting, to each such member at his or her electronic or postal address according to the latest available records of this corporation. A member may be given notice by Electronic Communication only if the member has previously consented to receive notice in that form. Any member may waive notice of a meeting before, at or after the meeting, orally, in writing, or by attendance. Attendance at a meeting is deemed a waiver unless the member objects at the beginning of the meeting to the transaction of business because the meeting is not lawfully called or convened, or objects before a vote on an item of business because the item may not lawfully be considered at that meeting and the member does not participate in the consideration of the item at that meeting. When any meeting of members is adjourned to another time and place, notice of the adjourned meeting need not be given other than by announcement at the meeting at which adjournment is taken. For purposes of these Bylaws, "Electronic Communication" includes email and any other form of communication that does not involve the physical transmission of paper, which creates a record that may be retained, retrieved, and reviewed by a recipient of the communication, and that may be reproduced in paper form by the recipient through an automated process.

SECTION 2.5 Meetings held solely by remote communication. A Voting Member may authorize conducting a meeting of members solely by remote communication, if all members entitled to attend the meeting are given notice of the meeting pursuant to Section 2.4. The participation of a member by remote communication constitutes presence at the meeting.

SECTION 2.6. Participation by remote communication. A member not physically present in person at a meeting of a class of members may participate by one or more means of remote communication if the Voting Member of the member's class authorizes such participation. The participation of a member by remote communication constitutes presence at the meeting.

SECTION 2.7 Procedures for participation by remote communication. In any meeting of members held solely by means of remote communication as described in Section 2.5, or in which one or more members participates by remote communication as described in Section 2.6, reasonable measures shall be taken (a) to verify that each person deemed present and entitled to participate is a member; (b) to provide each member participating by means of remote communication with a reasonable opportunity to participate in the meeting, including an opportunity to read or hear the proceedings substantially concurrently with those proceedings; (c) if allowed by the procedures governing the meeting, to have the member's remarks heard or read by other participants substantially concurrently with the making of those remarks; and (d) if otherwise entitled, to speak on matters submitted to the members.

SECTION 2.8 Voting; quorum. At all meetings of a class of members, each member is entitled to cast one vote. Members may not vote by proxy. Cumulative voting is not permitted. The presence of 25 percent of the members of the class constitutes a quorum at any meeting thereof. If a quorum has been present at a meeting and members have

withdrawn from the meeting so that less than a quorum remains, the members still present may continue to transact business until adjournment. A majority vote of the members present and entitled to vote at any meeting at which a quorum is present is sufficient to transact any business before the members, unless a greater number of votes is required by law or these Bylaws. Minutes of each meeting of a class of members shall be recorded, and a copy of the minutes shall be delivered to the Secretary.

SECTION 2.9 Written action. Any action that may be taken at a meeting of a class of members may be taken without a meeting by written action signed, or consented to by authenticated Electronic Communication, by all of the members of the class.

SECTION 2.10 Written ballot. An action that may be taken at a meeting of a class of members may be taken by written ballot without a meeting in accordance with this Section 2.10. The corporation must mail or deliver through Electronic Communication a ballot to every member of that class stating each proposed action and providing an opportunity to vote for or against each proposed action. Approval by ballot is valid only if the number of ballots casts is at least 25 percent of the members of the class, and approval of the action requires a majority vote of the ballots cast. A written ballot must (a) indicate the number of responses needed to meet the quorum requirement; (b) state the percentage of approval needed to approve each matter; and (c) specify the time by which the ballot must be received by the corporation in order to be counted. The corporation may deliver a ballot by Electronic Communication only if the member has previously consented to receiving notice in that form.

SECTION 2.11 Action by Voting Members. All actions by the Voting Members shall be taken by written action signed, or consented to by authenticated Electronic Communication, by both of the Voting Members. The written action will be effective when signed or consented to by both of the Voting Members unless a different effective time is provided in the written action.

SECTION 2.12. Powers of members. Any action that is required by law or these Bylaws to be taken by the voting members of this corporation must be taken by the Voting Members. The following paragraphs a., b., c., and d. represent a summary of certain powers of the members and the Voting Members that are established by the Articles of Incorporation, these Bylaws, and applicable law. Such paragraphs do not expand or limit such powers.

a. The following action may be taken by each class of members alone: (1) call meetings of the class of members; and (2) elect the class's Voting Member.

b. The following actions may be taken by one Voting Member alone: (1) call meetings of the class of members; (2) nominate up to four directors; and (3) propose amendments to the Articles of Incorporation or Bylaws.

c. The following actions may be taken only with the approval of both Voting Members: (1) call joint meetings of the two classes; (2) establish the number of directors; (3) approve the slate of Directors; (4) remove directors with or without cause; (5) approve amendments to the Bylaws; and (6) approve and maintain an endowment spending policy.

d. The following actions may be taken only with the approval of both Voting Members and the Board of Directors: (1) elect directors; (2) amend the Articles of Incorporation; (3) merge or consolidate the Foundation with another organization; (4) transfer all or substantially all of the corporation's assets not in the ordinary course of business; and (5) dissolve the corporation.

DIRECTORS

SECTION 3.1 Duties. In accordance with the provisions of the Minnesota Nonprofit Corporation Act, the business and affairs of this corporation must be managed by or under the direction of the Board of Directors.

SECTION 3.2 Number, qualifications, and method of election. The Board of Directors of this corporation shall consist of no more than twelve persons, each of whom has reached the age of 25 years prior to assuming office and holds a college degree or has experience that the Governance Committee determines in its sole discretion would benefit this corporation to at least the same extent as a college degree. The total number of directors shall be determined from time to time by agreement of the Voting Members; provided that the Class C Voting Member and the Class J Voting Member shall always be entitled to nominate the same number of directors. Up to four of the directors ("Class C Directors") shall be nominated by the Class C Voting Member, up to four of the directors ("Class J Directors") shall be nominated by the Class J Voting Member, and up to four of the directors (Community Directors") shall be nominated by the Governance Committee. Each year, each Voting Member shall provide to the chair of the Governance Committee a written list setting forth the name of each person nominated by the Voting Member for election as a director. The Governance Committee shall then forward the complete slate of candidates, including Community Director nominees, to the Voting Members in writing. Each Voting Member must approve or reject the entire slate in a written instrument delivered to the chair of the Governance Committee. If the slate is so approved by both Voting Members, then the chair of the Governance Committee must promptly deliver written certification of the Voting Members' approval of the slate to the Secretary of the Board of Directors. The Board of Directors must then vote on the entire slate.

SECTION 3.3 Terms. Each director of this corporation shall be elected to serve for a term of three years; provided, however, that a director may be elected to serve for a term of fewer than three years in order to establish or maintain three groups of directors as nearly equal in number as possible, so that the terms of approximately one-third of the directors expire each year. Subject to the provisions of Section 3.4, each director's term of

office shall begin immediately following his or her election, and shall continue until the third December 31 after the beginning date or until such earlier date as specified by the Board of Directors when the director is elected, and until his or her successor has assumed office; or until the director's prior death, resignation or removal. Notwithstanding any other provision of these Bylaws apparently to the contrary, the term of a Class C Director or Class J Director who is an Eligible Family Member who turns 69 years of age while in office shall automatically terminate at the end of December 31 of that year, and such person shall not be eligible to serve as a director thereafter. A director who has served three consecutive three-year terms as a director shall not be eligible to serve again as a director until at least one year has elapsed since the end of the last such term; provided, however that this requirement may be waived (a) for a Class C Director if so approved by the Class C members prior to the Class C Director's re-election for each additional three-year term; and (b) for a Class J Director if so approved by the Class J members prior to the Class J Director's re-election for each additional three-year term. A term of less than three years does not count toward the three-term limit.

SECTION 3.4 Removal; resignation; vacancies. Any director may at any time be removed with or without cause by agreement of the Voting Members. Any director may resign at any time by giving written notice to the Chair or the Secretary. The resignation shall be effective without acceptance when the notice is received by the Chair or the Secretary, unless a later effective date is specified in the notice. Any vacancy occurring because of the death, resignation, or removal of a Class C or Class J director may be filled for the unexpired term of such director by a person nominated by the Voting Member of the former director's class, approved by both Voting Members, and elected by the Board of Directors. Any vacancy occurring because of the death, resignation, or removal of a Community Director may be filled for the unexpired term of such director by a person nominated by the Governance Committee, approved by both Voting Members, and elected by the Board of Directors.

SECTION 3.5 Directors Emeritus. The Board of Directors may from time to time appoint individuals who are Lineal Descendants of William McKnight to the position of Director Emeritus. Each Director Emeritus may be invited to meetings and functions of the corporation, and may be requested to undertake certain duties for the corporation, all as the Chair determines, in his or her discretion. Directors Emeritus may, in the same manner as directors, receive reimbursement for their reasonable and necessary expenses associated with participation in activities of the corporation as Directors Emeritus. Directors Emeritus shall have only such rights as are expressly set forth in this Section. Each Director Emeritus is appointed to serve an unlimited term, unless a different term length is specified by the Board of Directors at the time the Director Emeritus is appointed, or the Director Emeritus is removed by the Board of Directors.

MEETINGS OF THE BOARD OF DIRECTORS

SECTION 4.1 Annual meeting. The annual meeting of the Board of Directors for the purpose of electing directors and officers and transacting such other business as may properly come before the meeting shall be held at the time and place, within or without the State of Minnesota, designated from time to time by the Board of Directors.

SECTION 4.2 Other meetings. Other meetings of the Board of Directors may be held at such time and place as are announced at a previous meeting of the Board of Directors. Meetings of the Board of Directors may also be called at any time (a) by the Chair, (b) by the Board of Directors, (c) upon the request of three or more directors, or (d) by the Voting Members. Anyone entitled to call a meeting of the Board of Directors may make a written request to the Secretary to call the meeting, and the Secretary shall give notice of the meeting, setting forth the time and place thereof, to be held between two and thirty days after receiving the request. If the Secretary fails to give notice of the meeting within seven days from the day on which the request was made, the person or persons who requested the meeting may fix the time and place of the meeting and give notice in the manner hereinafter provided.

SECTION 4.3 Notice of meetings. Notice of each meeting of the Board of Directors for which notice is required, and of each annual meeting, stating the time and place thereof, shall be given to all directors by the Secretary by Electronic Communication or in person at least five days before the meeting, or shall be mailed to each director at least ten days before the meeting. A director may be given notice by Electronic Communication only if the director has previously consented to receive notice in that form of Electronic Communication. All notices not given in person shall be sent to the director at his or her postal or electronic address according to the latest available records of this corporation. Any director may waive notice of a meeting before, at or after the meeting, orally, in writing, by Electronic Communication, or by attendance. Attendance at a meeting is deemed a waiver unless the director objects at the beginning of the meeting to the transaction of business because the meeting is not lawfully called or convened and the director does not participate in the meeting.

SECTION 4.4 Quorum and voting. The presence of a majority of the directors then in office constitutes a quorum at any meeting of the Board of Directors, but the directors present at any meeting, although less than a quorum, may adjourn the meeting from time to time. If a quorum is present when a duly called meeting is convened, the directors present may continue to transact business until adjournment, even though the withdrawal of one or more directors leaves less than the number otherwise required for a quorum. At all meetings of the Board of Directors, each director is entitled to cast one vote on any question coming before the meeting. A majority vote of the directors present at any meeting, if there be a quorum, is sufficient to transact any business, unless a greater number of votes is required by law or these Bylaws. The Board of Directors may take action when one or more director positions are vacant, provided that a majority of the directors then in office are present at the meeting. A director may not appoint a proxy for himself or herself or vote by proxy at a

meeting of the Board of Directors. For purposes of determining whether a director has met his or her fiduciary duties as a director, but for no other purpose, a director who is present at a meeting of the Board of Directors when an action is approved by the Board of Directors is presumed to have assented to the action unless the director votes against the action or is prohibited from voting on the action.

SECTION 4.5 Action without a meeting. Any action that could be taken at a meeting of the Board of Directors may be taken by written action signed, or consented to by authenticated Electronic Communication, by all of the directors. Consistent with the corporation's Articles of Incorporation, any action required or permitted to be taken at a meeting of the Board of Directors, other than an action requiring member approval, may also be taken by written action signed, or consented to by authenticated Electronic Communication, by the number of directors that would be required to take the same action at a meeting of the Board of Directors at which all directors were present. The written action will be effective when consented to by the required number of directors unless a different effective time is provided in the written action. All directors shall be notified immediately of the text and effective date of any such written action that is duly taken.

SECTION 4.6 Meetings held using remote communication. A director may participate in a meeting of the Board of Directors by means of conference telephone or, if authorized by the Board of Directors, by such other means of remote communication, in each case through which that director, other directors so participating, and all directors physically present at the meeting may communicate with each other on a substantially simultaneous basis. The Chair or Board of Directors may authorize conducting a meeting of the Board of Directors solely by remote communication if all directors entitled to attend the meeting are given notice of the meeting as described in Section 4. Participation in a meeting by remote communication constitutes presence at the meeting.

OFFICERS

SECTION 5.1 Designation and term. The officers of this corporation include a Chair, a President, a Secretary, and a Treasurer. This corporation may also have such other officers, including a Vice Chair, as the Board of Directors may from time to time determine, and who will have the responsibilities and authority determined by the Board of Directors. The Chair and Vice Chair (if any) shall each be elected by the Board of Directors to serve for a term of three years and until their respective successors are elected and have qualified.
